# Individual Water Sample Request

Water Quality Program

The water sample fee is **\$45.00** payable in advance by form of cash or check, made out to Franklin County Public Health. This water sample **only** tests for total coliform bacteria and E. coli. If additional tests are being requested, please list the specifics in the proper box below and call Jessica Arnold at (614) 525-3559 prior to submitting the form, as this will change the fee.

Please fill out this form with payment and submit to:

The fee for this service is **NOT** refundable once the Sanitarian has been out to the property. The Sanitarian will only arrange or conduct the sample Monday through Friday, between 9:30 am and 3:30 pm. Please make sure that the person providing access to the home can be available during these hours. Results will be available 3-5 business days after the sample has been taken, and a letter will be mailed to the property in question. The water sample results apply only to the date and time that the service was performed.

A twenty-five dollar (\$25.00) Service Charge will be assessed to any check returned unpaid by your bank to this office.

**FCPH Use Only**
