Compliance Data Analysis

- ❌ **No systemic problems within the focus communities with compliance and enforcement.**
- ❌ **Conduct an awareness, educational campaign for business owners, patrons, community leaders, elected officials and concerned citizens.**
- ❌ **Increase public understanding of their responsibilities and rights under Ohio's Smoke-Free Workplace Law.**
- ❌ **Use various media platforms to target communities including newspaper, radio, internet, social media as well as individual letters sent to businesses.**
- ❌ **Implementation of an effective community awareness campaign is likely to produce a rise in complaints and investigations.**
