## Temporary Food Requirements

Food Safety Program

In order to be prepared for your inspection, please make sure that all requirements have been met.

### Keep This Page for Your Use

- The Application to Conduct a Temporary Food Operation has been completed and submitted to Franklin County Public Health 10 days prior to the event along with the fee of \$44.00 per day (up to 5 consecutive days per temporary license)
- Foods are obtained from approved sources or prepared in a licensed food operation.
- Hair restraints are available.
- Disposable gloves, tongs and/or utensils are available to ensure that there is NO bare hand contact with ready to eat foods.
- A working and properly calibrated food thermometer is available.
- All workers are healthy; wear clean outer garments and do not smoke in the temporary food operation.
- A protective covering is available to cover the entire food operation, exclusive of equipment with open flames.
- A means to transport and hold all TCS hot foods at least 135 F, and all cold TCS foods at or below 41F are available.
- Three basins large enough to submerge your largest piece of equipment are available along with dish soap, warm water, sanitizer and the correct sanitizer test strips.
- A handwashing station that dispenses water in a continuous flow container, hand soap, and single use paper towels are available.
- A means to keep all food at least six inches off the ground.
- A food grade hose is available with a backflow prevention device, if water will be supplied by a hose.
