

**FRANKLIN COUNTY BOARD OF HEALTH  
REGULATION 716  
Weeds**

"No person, whether the owner, lessee, agent, tenant or other category of person having charge or care of land in the jurisdiction of the Franklin County District Board of Health, shall permit noxious weeds, grasses, or any other vegetation which may cause or create conditions which threaten the public health, to grow thereon to a height in excess of twelve inches, or to mature their seeds thereon, or fail to cut and destroy such weeds, grasses, and other undesirable vegetation as described above, when notified by the Board of Health to do so."
